Titelsong

LEAVING

aus dem Kurzfilm *Rabenmutter* von Alex Schmidt

*Again and again
Things are repeating
Pains of the past
That's why I'm leaving*

*A child in her bed
Mum kissed her goodnight
Tears run her cheek
When mum was leaving*

*Again and again
Things are repeating
I'm leaving
Leaving*

*Again and again
The results of bad breeding
Scars start to bleed
That's why I'm leaving*

*Gazing the night
Mum left me alone
I'll never forgive
I'm now on my own*

*The last ray of hope
That's why I'm leaving
I'm leaving*
